Bio:

Since 1996, The Harry Walther Band has been rocking the tristate area with their story telling style of music along the lines of Bruce Springsteen and Bob Dylan. They are an energetic and entertaining Americana rock and roll band with deep country roots. They have been entertaining the Philly music scene by performing a wide scale of classic covers as well as original songs ranging from rock to folk to country rock. Covers include everything from Elvis, Beatles, Stones, Allman Brothers, ELO, Neil Young, Tom Petty, Marshall Tucker, Johnny Cash and so much more! With the great line up Harry has put together, a Harry Walther Band live show will never fail to rock the house down.
